<b>Background and Experience</b>	
Please briefly present the partner organisation (e.g. its type, size, scope of work, areas of specific expertise and specific social context)	

In general, **Aka Organization** aims to promote equal opportunities, social inclusion and fight against youth unemployment. It also promotes social cohesion and intercultural dialogue between communities and wants to establish itself as an active platform to serve social entrepreneurs to develop their own projects, both personally and collectively.

**In youth field**, we promote youth exchanges, trainings, voluntary programs and traineeship in social organizations. We implement activities and workshops based on non-formal education, giving tools for developing innovative social projects.

**In social action field**, develops legal advice and social economy for entrepreneurs who want to carry out projects and produce innovative social studies and plans in communities and social exclusion

**In the field of migration**, workshops and activities are implemented that encourage interaction between communities and develop education interventions and alternative dispute resolution in the neighborhoods, communities and schools.

**Aka Organization** is formed by people active in fields such as education, law and economics, which are united by a desire for social change. Our target group is mainly young people at risk of social exclusion and social fabric of our region.

Aka Organization hosts and conducts internship programs in all types and levels of education, including vocational training, school education, adult education, and non-formal education. It also handles assessments, evaluations, and documentation for these internships.

AKA Organization Consulting Training Tourism Food Health Travel Agency Trade Limited Company works in close cooperation with experienced local and national civil society organizations in order to strengthen its outreach, implementation capacity, and the sustainability of Erasmus+ projects. Within this framework, Antalya Turkuaz Youth Association acts as one of AKA Organization's key local partner organizations, particularly in the fields of youth work, social inclusion, environmental sustainability, and active citizenship.

Antalya Turkuaz Youth Association is a non-profit youth NGO established in 2014 and based in Antalya, Türkiye. The association has extensive experience in Erasmus+ Youth and European Solidarity Corps (ESC) projects and holds accreditation as a hosting, sending, and coordinating organization. Its team consists mainly of educators, youth workers, and project coordinators with strong expertise in project writing, implementation, mentoring, and international cooperation.

Through this cooperation, AKA Organization benefits from Antalya Turkuaz Youth Association's strong local engagement with young people, especially disadvantaged and marginalized groups, while Antalya Turkuaz contributes its expertise in youth empowerment, peer learning, volunteering activities, and community-based project implementation.

In joint projects, AKA Organization primarily undertakes strategic planning, coordination, international networking, and administrative management, while Antalya Turkuaz Youth Association focuses on local implementation, youth outreach, non-formal education activities, mentoring, and dissemination at local and regional levels, particularly in the Antalya region.

This complementary partnership structure enhances the quality, impact, and sustainability of Erasmus+ projects by combining AKA Organization's long-standing project management experience with Antalya Turkuaz Youth Association's strong field-based youth work and local capacity.
